On the Menu: The Bourgeois

At Boise Fry Co., french fries truly are the stars of the menu. They have seven types of potatoes to choose from (russet, gold, white, sweet, yam, purple, and Okinawa), plus five styles (regular, homestyle, curly, shoestring, and po' balls). Burgers are simply side dishes.

If you can't decide how you want your fries, just go with The Bourgeois. It's a plate of fries that are flash-fried in duck fat and garnished with black truffle salt.
